SAVU WHISKY GLASS

Finnish design and craftsmanship combined with
aroma science - and your logo, of course

Why SAVU glass? The character of whisky derives from the sensations that its aromas provoke. Whisky is a special beverage and requires a proper glass that best exhibits its wonderful scents and tastes.

The novel design of SAVU glass and the science-based functionality offer the optimal tasting experience for everyone. Inspirations from Finland's pure nature and sauna together with excellence in craftsmanship and aroma science make SAVU unmatched and unique.
